AN INTRODUCTION
to Kakenya's Dream

WHO WE ARE:

Founded in 2009, Kakenya’s Dream leverages education to empower girls and transform communities in rural Kenya. We believe every girl, no matter where she is born, deserves a chance to dream, learn, and achieve her full potential.

WHAT WE DO:

At Kakenya’s Dream, we invest in girls from rural communities through educational, health, and leadership initiatives to create agents of change. We offer three girl-centered, community-driven programs:
OUR PROGRAMS:

CENTERS FOR EXCELLENCE: Located in the remote Maasai villages of Enoosaen and Isampin, almost 250 miles west of Nairobi, the Kakenya Center for Excellence campuses are beacons of hope in the community. Our talented staff take a holistic approach to educating marginalized, vulnerable girls and, in addition to providing a world-class education, incorporate health and leadership elements along with STEM, arts and culture, and critical thinking into the classroom curriculum.

The first classroom building on our Enoosaen campus opened in 2009 and, from 2010 to 2017, it expanded to meet the needs of its growing student population, offering computer and science facilities, safe dormitories, teacher housing, a multi-purpose hall, and a library. In 2018, we broke ground on our second campus in Isampin, which will serve K-12 once completed.

NETWORK FOR EXCELLENCE: We created the Network for Excellence program to support our Center for Excellence alumnae as they make the critical transition to secondary and tertiary education at a time when most girls in our community are at risk of dropping out, early marriage, and teenage pregnancy. We ensure each student receives essential financial assistance and academic support so they are equipped with the skills and resources they need to succeed in high school and beyond. 100% of our alumnae receive scholarships, mentoring, tutoring, career guidance, and assistance applying to universities, technical schools, and vocational programs around the world.

HEALTH AND LEADERSHIP TRAINING: Our Health and Leadership Trainings reach youth across the community with critical information as they approach and navigate through adolescence. This program reaches at-risk girls and boys beyond our boarding schools, providing training and resources on reproductive health and rights as well as the harmful effects of female genital mutilation (FGM) and early marriage. During our weekly after-school workshops, we partner with skilled facilitators to lead fun and engaging sessions on a variety of topics, including leadership, gender equality, sexual and reproductive health, self-defense, child rights, and life skills. To date, we have reached over 14,000 middle school-aged girls and boys through these trainings.
WHY SHOULD you get involved?

Where we work, 80% of women undergo female genital mutilation (FGM), over 50% marry before age 19, and only 17% complete their primary education, effectively robbing our girls of a future of their choosing.

This is where you can make a real difference!

By fundraising for Kakenya’s Dream, you will become an integral part of our fight to ensure that every girl, no matter where she lives, receives the same opportunities as boys and the chance to achieve her full potential. Nearly 100% of our girls finish their secondary education, head to college, and live free from FGM and child marriage!

By becoming a fundraising ambassador, you will show your commitment to gender equality and education - some of the most effective tools in the fight against global poverty. Thank you for joining us!

HOW ARE YOU HELPING?

Our students’ mental and physical wellbeing is just as important as the quality of education they receive. To that end, we provide our girls with everything they need to thrive in and out of school, from uniforms, toiletries, medical care, and more!

$50 - Provides a uniform for 1 student
$100 - Supplies shoes for 5 students
$750 - Provides fully-stocked backpacks for 50 girls
$1,500 - Provides healthy meals for 25 girls for a year
$2,500 - Equip 50 girls with textbooks in 5 subjects
$5,000 - Fully supports 4 students for a year
Do you want to donate to Kakenya's Dream but aren’t sure how to fundraise or where to start? Get creative! Listed below are just a few of the many ways you can fundraise in order to support the services that Kakenya’s Dream offers our students and the community.

**COMPANIES & BUSINESSES:**

**DONATE PERCENTAGE OF THE PROCEEDS**
If your company sells consumable or material products like food or clothes, pick a day to donate a percentage of your proceeds. Create a marketing campaign to let customers know that on a specific day, week, or month, you will be donating a percentage of proceeds to Kakenya’s Dream!

**HOST A GALA**
If you are looking for a way to show appreciation for your staff and also want to donate to Kakenya’s Dream, host a gala! Invite your staff (and guests) to a gala with food, live music, and include fun activities. You can charge an admission per ticket and donate the proceeds!

**CASUAL DAYS**
An easy way to get your office to raise money for Kakenya’s Dream is to incentivize them to donate. One way to do this is to host a "Casual Day" at the office! Once a month, employees who make a minimum donation can dress casual to the office!

**MATCHING GIFTS**
If your company has a corporate matching program, add Kakenya’s Dream to double the donations and support for girls’ education. Click [here](#) to check if your employer has an established program. If they don't, reach out to your HR department to request one!
INDIVIDUALS & GROUPS:

DONATE YOUR BIRTHDAY, WEDDING, OR BABY SHOWER
Do you have a birthday, wedding, baby shower, graduation, or another upcoming celebration? In lieu of gifts, ask for your friends, family, and colleagues to donate to Kakenya’s Dream on your behalf of your special day!

TRIVIA NIGHT
Host a trivia or game night with your friends or family! Ask each player to make a donation to participate and donate the proceeds to Kakenya’s Dream. This is a great activity for both in-person and virtual get togethers.

5K/10K/MARATHON
Coordinate your own race with friends or sign up for an organized race and ask friends and family to make a donation for each mile you run. If you are really up for a challenge, you can run a mile for every dollar raised over a designated timeframe!

SPORTS COMPETITION
Host a basketball, softball, soccer, or other sports competition! Ask each player to pay a fee to participate, and then donate the proceeds to Kakenya’s Dream. This is an easy way to exercise and have fun while supporting our mission.

CLASSIC FUNDRAISER WITH A TWIST
Host a classic fundraiser, like a bake sale, garage sale, or car wash, but add a fun twist. To incentivize gifts, up the ante by doing something silly every time you hit a fundraising milestone. For example, when you hit $1,000, you will wear a pink tutu and a blue wig to class or work!

HOST A PARTY
Want a perfect excuse to host a party? Look no further! Host a dinner party, movie night, tea party, or any other gathering, charge an entry fee and donate the proceeds. This is a fun way to get together with friends and family while making a difference in the lives of our students.

PUT YOUR TALENTS TO USE
Host an online or in-person event and ask each participant to make a donation to learn a new skill. Get creative! You could teach people how to make a few specialty cocktails, how to cook your famous chili, or how to paint their pet!
Get inspired! Below are some examples of creative projects carried out by two of our talented and generous fundraising ambassadors!

**RYE WILLIAMSON OF OPALMILK:**

Rye Williamson is the Founder of OpalMilk, a jewelry and art company based in Dallas, TX. During the COVID, she wanted to do more to empower women and girls, so she designed a new pair of earrings and donated 50% of the proceeds of each pair!

“I dream of a world where all women have a chance to make a huge impact. To have respect, feel safe, to be mothers and wives only if they choose to be, and to thrive outside of those roles if they choose. Education is the first step toward that. What Kakenya’s Dream is doing is so authentic. All you really need to do is show the faces of these beautiful girls and tell their story. Asking people who cannot financially contribute to just simply ‘share’ via word of mouth or their social media platforms is super helpful. I didn’t always sell the earrings, but every time somebody shared about the organization, that meant hundreds or thousands of eyes were on Kakenya's Dream that might never have been otherwise.”

**GRACE’S MASK PROJECT:**

Grace McGuire is a senior at Walt Whitman High School in Bethesda, Maryland. At the onset of the COVID-19 pandemic, she was determined to help the global community, so she used her sewing skills to make masks for friends and family in exchange for donations to Kakenya’s Dream.

“I know how important education is to the future of all girls. Raising funds for Kakenya's Dream is infectious and easy. When people hear about the story of Kakenya and her amazing students, they want to get involved. This has been one of the most meaningful ways I have spent time during the pandemic.”
