

## Clinical Officer

Kakemba's Dream seeks to empower and motivate young girls through education to become agents of change and to break the cycle of destructive cultural practices in Kenya, such as female genital mutilation and early forced marriage. These future leaders will improve their community, their nation, and the world. We challenge ourselves to come up with the best educational system for young African girls and we promise to share our models with others.

### Location

The job holder will work mostly within the office which is located in Isampin, Transmara West, and will be required to travel within the Sub-County during supervision and whenever the need arises. Work may sometimes extend past working hours and into the weekend.

### Job Purpose

To ensure a successful launch of a new youth-friendly health facility and the continuous delivery of high-quality health services in a remote region without sufficient access to affordable quality healthcare.

### Duties and Responsibilities

- a. To ensure implementation of government and best practices standards and procedures for clinical services.
- b. Oversee the start-up, planning, and launch of a new clinic.
- c. Oversee the staff and ensure successful Implementation of Work Plans and targeted goals
- d. Ensure a consistent high level of quality in clinical services that results in positive health outcomes and satisfactory experience for the clients.
- e. Provide Clinical Services in the facility
- f. Implement Primary Health Care Programs
- g. Serve as the primary staff liaison to the community board overseeing operations.

### Job Specifications
