

U.S. Board Member Recruitment Specification

The U.S. Board of Kakenya's Dream is committed to diversity in all aspects of its mission and activities, including in the composition of its Board of Directors. In recruiting new board members, we seek to achieve diversity not only in age, gender, race, ethnicity, etc., but also in professional experience, skills, leadership style, and geographical location. We believe such diversity results in a stronger, more effective board.

Essential Criteria

(We expect board members to meet all the essential criteria)

Commitment
Passion/enthusiasm for our mission and work
Willingness to commit time to board meetings (sometimes in-person in the D.C. area), committee meetings, and follow-up on assigned tasks and actions
Commitment to give annually to Kakenya's Dream
Willingness to raise awareness of Kakenya's Dream and help to raise funds for the organization
Attributes
Ability to understand the 'big picture' and contribute successfully to the whole organization achieving its Theory of Change
Team player – works effectively and cooperatively in a group
Positive, can-do attitude
Excellent listening skills
Ability to communicate clearly and articulately

Specialist / Desirable Experience and Skills

The list below will change periodically depending on the needs of the board, succession planning, and our desire for diversity of background, experience and skills. It will be reviewed annually to identify the skills/experience needed for future recruitment. Asterisks reflects the priorities for 2022 recruiting based on the gaps in the current board composition.
